

The NFDA's 2019 conference will be held at the Darwin Hilton, with attendees invited to arrive on the afternoon of Thursday July 25, in preparation for the welcome event at Crocosaurus Cove on Thursday evening.

This year's conference will be more relaxed and social than last years 'Industry Showcase' in Melbourne: but still with a focus on education and professional development for our members, and on setting association goals for dealing with developing issues in the industry across Australia.

To give the maximum flexibility to attendees – particularly those with families – the Hilton is offering multiple accommodation options through 3 different Darwin venues. You can choose to stay at the main Hilton hotel (where the conference meetings are being held), or at one of two nearby less formal (and more family oriented) venues. Book your accommodation using this link....

At the bottom of this page you will find an easy to follow form for 2019 Conference Registration.

We ask that you complete this and return it to us by Wednesday 26th of June. Details for EFT payment are also located on this form.

Looking forward to seeing you in Darwin!
